**Kernlose Trauben ...
wie maßgeschneidert**

Die Anforderungen der Konsumenten in ganz Europa sind inzwischen sehr hoch, aber unterschiedlich bezüglich Geschmack, Farbe und Kaliber der Frucht.

Durch die Vielfalt unserer **22 kernlosen Sorten**, die langjährige Erfahrung im Anbau und in der Vermarktung, sind wir heute in der Lage, die Trauben, je nach Wunsch des Kunden zu ernten und zu verpacken.

Wir legen deshalb großen Wert darauf, für jeden Markt und Kunden, die optimale Traube zu wählen.

Vertrauen Sie uns und vertrauen Sie einer starken Marke **pepinogold!**

**Uva senza semi ...
cucita su misura**

La richiesta dei consumatori di tutta Europa è diventata molto varia, diversa per gusti, colore e calibro del frutto.

Grazie alla scelta fra le nostre **22 varietà senza semi**, ai molti anni di esperienza nella coltivazione e nella commercializzazione, siamo ora in grado di raccogliere e imballare l'uva in base alla richiesta del cliente.

Pertanto, attribuiamo grande importanza alla scelta dell'uva ottimale ed adatta per ogni mercato.

Affidati a noi... dai fiducia a un grande marchio **pepinogold!**

**Seedless Grapes ...
as tailor made**

Today the requirement of the consumers all over Europe is very high, but different in taste, color and caliber of the fruit.

Due to our **22 seedless varieties** and many years of experience in cultivation and marketing, we are now able to harvest and pack the grapes in according to customer's request.

We therefore attach great importance to choosing the optimal grape for each market and customer.

Trust us and trust a strong brand **pepinogold!**

**22 ITALIAN
SEEDLESS
